CENTRAL DISTRICT OF CALIFORNIA

CRIMINAL MINUTES - GENERAL

Case No. **2:05-cr-00925-FMC**Date **April 10, 2008**Present: The Honorable **FLORENCE-MARIE COOPER**Interpreter **N/A****Alicia Mamer***Deputy Clerk***Not Reported***Court Reporter/Recorder, Tape No.***Fred Slaughter (not present)***Assistant U.S. Attorney*U.S.A. v. Defendant(s):**EDDIE ARNOLD WILSON**Present Cust. Bond**X**Attorneys for Defendants:**Pedro Castillo, DFPD**Present App. Ret.**X****Proceedings:** ORDER re DEFENDANT'S MOTION (In Chambers)

The Court is in receipt of defendant's Motion for Reduction of Sentence pursuant to 18 USC section 3582(c)(2). In this Motion, defendant seeks a reduction of his sentence pursuant to Amendment 706 of the Sentencing Guidelines, adjusting the ratio between powder and crack cocaine.

The Court has already addressed and denied this request. On December 26, 2007, the Court denied defendant's Motion to Vacate, Set Aside, or Correct Sentence, which Motion raised the same issue. The Court explained that because defendant's sentence reflects the mandatory minimum sentence required by statute, the modification of the guidelines does not affect his case.

A copy of the court's earlier Order is being forwarded to defendant, along with this Minute Order.

I hereby certify that this document was served by first class mail, postage prepaid, to defendant and all counsel of record at his/her/their respective, most recent, address of record, in this action, on this date and further, that a copy of the Court's Order [39] was also mailed to the defendant.
